

Generation Tennis provides a full range of tennis coaching at our club.

Generation Tennis, founded by James Bone in 2009, is now under the joint directorship of James and his brother Alex.

They run tennis coaching at six tennis clubs and six schools in West Sussex and Hampshire.

James and Alex tutor a Tennis Leaders' course at Bishop Luffa (as part of the school curriculum) and are looking to offer the course to all the tennis clubs and secondary schools within the locality.
