OUR CLUB ETHOS

Bognor Lawn Tennis Club is a Community Amateur Sports Club (CASC).

New members are welcome, whatever their ability and age (currently 6 – 85!).

Adult play is largely based around social doubles tennis, allowing all members the opportunity to participate with a variety of opponents and partners of all ages.

Our Club is affiliated to the LTA and has been awarded as an 'LTA Registered Club' which gives an assurance of the highest standards of operation covering a range of topics including Health & Safety, Child Protection, Equality & Diversity, Coaching standards, etc.

The Club is run day-to-day by the members only; there are no paid staff.

FACILITIES

There are five all-weather macadam hard courts, all floodlit, and two croquet lawns.

The clubhouse overlooks the courts and has access for the disabled.

TEAMS, COMPETITION & TOURNAMENTS

Men's and Ladies' teams compete throughout the year in the Sussex County tennis leagues.

Junior and Orange members can take part in inter-club competitions. The Junior Orange and Under 12s will be entered into the Junior League.

Members can enter the annual Club Tournament, which offers singles, doubles, mixed doubles, veteran and fun categories of play.

Club social tournaments are also held during the year.

SOCIAL EVENTS

There is an annual social programme, which includes quizzes, sports evenings, suppers and an annual dinner. A modest fee is charged for taking part in tournaments and social events.

BRITISH TENNIS MEMBERSHIP (BTM)

This LTA scheme is a register of all tennis participants. BTM, which is free to all Club members, is essential if playing in competitions or leagues. You can apply at www.lta.org.uk/member/signup/ or phone the LTA on 0208 487 7000, quoting your membership of Bognor Lawn Tennis Club. Benefits of BTM include entry to our Club ballot for Wimbledon tickets, a player rating and discounts on tennis tickets (eg. Davis Cup).

CLUB LIABILITY

The Club accepts no liability for injuries or loss/damage to personal property. Members and guests use the facilities at their own risk.

CROQUET

The Croquet section plays regularly, from early spring until late autumn. Tennis members are welcome to participate.

GOLF SOCIETY

There is a thriving Golf Society which members may join.

OPEN DAYS The Club's courts and other facilities are open to members of the public on Open Days, when visitors can play with Club members and receive coaching advice.
